

## Training Course for Teachers of English in Vocational / Technical Schools & Colleges

This intensive, week-long, immersion course is intended for vocational teachers who teach English in either technical secondary schools or further education. It offers participants the opportunity to

- practise and refresh their general language skills
- discuss relevant teaching methodology
- address job-specific vocabulary and language
- share experience and views with colleagues from other regions
- find out about Scottish culture
- learn about the Scottish education system & training/working in Scotland

### DATES FOR 2019 - 2020
